WHICH OPTION I CHOSE. . .

I CHOSE OPTION 1 WHERE WE HAD TO BRAINSTORM AN ART/DESIGN PROJECT THAT WE CREATED OVER THE PAST THREE WEEKS.

PROJECT IDEA

PAINT ON THE BACK OF A DECK OF CARDS WITH DISNEY CHARACTERS. GENERATE A NUMBERED LIST WITH DISNEY MOVIES AND USE A RANDOM NUMBER GENERATOR TO DETERMINE WHICH MOVIES TO DO THAT DAY. TO DO A FULL DECK OF CARDS YOU'D HAVE TO COMPLETE 4 TO 5 CARDS A DAY.

WEEK OF APRIL 13-17 2020 → GOAL: PAINT AT LEAST 15 CARDS

WHAT DID YOU LEARN?	WHAT DID YOU MAKE?	EPIC FAIL?	MAKE YOUR GOAL? WHY OR WHY NOT.	NEXT GOAL?
There is a lot that goes in to brainstorming ideas but when you commit to one that you are excited about it's not going to be a drag.	I painted, Mickey Mouse, Winnie the Pooh, Queen of Hearts, ect. on a deck of cards	It takes a long time.	Yes, I managed my time to do this & my other classes	Sketch most to all of the cards out.

WEEK OF APRIL 20-24 2020 → GOAL: SKETCH ALL OF THE CARDS OUT.

WHAT DID YOU LEARN?	WHAT DID YOU MAKE?	EPIC FAIL?	MAKE YOUR GOAL? WHY OR WHY NOT.	NEXT GOAL?
You can get a lot done if you just sit down and do it.	I painted well known disney characters onto a deck of cards	It takes forever. Faces suck to draw/paint.	Yes. I managed my time to do this & my other classes	Finish the rest and turn it in

WEEK OF APRIL 27- MAY 1 2020 → GOAL: FINISH AND TURN IN

WHAT DID YOU LEARN?	WHAT DID YOU MAKE?	EPIC FAIL?	MAKE YOUR GOAL? WHY OR WHY NOT.	NEXT GOAL?
Never to do this again.	Finished painting the deck of cards. Painted 52 cards.	Sitting for extremely long periods of time bent over a table painting these sucks for your back.	Yes, I finished painting a full deck of cards.	Be done. Finished Product is on the slide below

I HAD A LOT OF FUN DOING THIS
ASSIGNMENT!
